Lord Bacon Said, "Digest"

This Is the Secret of Life in Business Or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."

He wrote of books; many who have fol-

lowed him have written likewise of life. The man who digests his business, makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live. It is not the food you swallow or taste that brings nappiness to you; it is the food you digest.

If you swallow and taste and don't di-gest and chew. Nature cannot give you health, for you do not furnish the am-

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences which, when they reach the stomach, turn dyspeptic conditions into those of healthy

digestion.

These little tablets are dissolved in the mouth by saliva; they mix with this fluid and are passed down into the stomach, where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and thus replenish Nature with those juices which sightness abuse or with those juices which sickness, abuse or wrongful eating have exhausted. The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion. Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form.

Powders and liquids soon lose their effectiveness through chemical actions and decay. Stuart's Dyspepsia Tablets are made under terrific pressure and their qualities are thus made lasting. Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price 50 cents. Send us your name
